Congressional Art Competition

Dear Colleague:

As the co-chairs for this year's High School Congressional Art Competition, *An Artistic Discovery*, we invite you to this year's reception and Ribbon Cutting Ceremony, which will occur Tuesday, June 14, 2005. **On the reverse side of this letter is an agenda for the day's events.** General Motors will host the reception and ceremony, and the students will have the opportunity to hear from a celebrity guest. We hope that you will be able to join us for the unveiling of the 2005 winning pieces.

Because of heightened security in and around the Capitol, we ask that each student check in with their Member's office the morning of the event to receive their Competition folder. Those packets will be distributed to participating offices a few days before the reception. We also ask that each office designate a staff member or an intern to escort the student to the group photograph and to ensure that they reach the reception without difficulty. Because of the growing popularity of this event, the reception will be open only to Members, the student, and the student's one guest. Staff will not be allowed at the reception unless they are serving as event volunteers. We apologize for any inconvenience this may cause.

The student's artwork must be dropped off on Friday, June 3, 2005 to 505 Cannon. Staff will be there from 9 a.m. to 5 p.m. to check in the artwork and make sure that a Student Information/Release and Adhesive Label are included. Due to the review process, we will not be able to incorporate artwork received after the deadline. If you plan on mailing the artwork to Washington, please be sure to give yourself ample time.

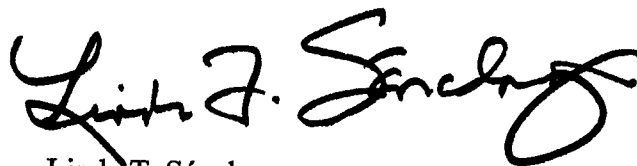

If you have any questions or have a staff member or an intern who would like to volunteer at the event, please contact Ryan McKee in the office of Congressman Fossella (ryan.mckee@mail.house.gov, 202.225.3371) or Clint Carte in the office of Congresswoman Sánchez (clint.carte@mail.house.gov, 202.225.6676).

We look forward to seeing you there!

Sincerely,

Vito Fossella
